C. ADDITIONAL INFORMATION

- Novatech reserves the right to refuse to provide labor if the service presents a real risk to the health and safety of the technicians.
- It is the customer's responsibility to provide the necessary equipment to perform the service and to ensure accessibility to the door.
- Novatech reserves the right to modify the design of any given product without being obliged to make said modification on such products already delivered. Said modification by Novatech shall not, in any circumstances, be construed as an admission by Novatech of a product design defect.
- Repairs to the product must be done by or as directed by Novatech. Failure to follow Novatech's recommended repair method may result in the warranty no longer being applicable or in charges being imposed if Novatech has to redo or redirect repairs.
- The warranty applies from the date of delivery only.
- The warranty applies to residential and institutional uses only. It excludes any commercial and industrial uses.
- In the event of a modification or discontinuation of a part/option, Novatech agrees to replace the part with its equivalent or superior part only. Novatech is not required to provide an identical part.
- Novatech will not provide any financial compensation for installations, modifications, loss of time, work or any other reason not approved in advance by Novatech.
